The booster club donated to the Panther Athletic Complex (PAC) for turf on new field. Some new helmets and pads have been purchased for next season. Coach mentioned how appreciative the players are of everything the booster club provides for them.

He also mentioned the upcoming inaugural O'Fallon football golf tournament to be held Sunday, June 28th at the Orchards Golf Club in Belleville. Folders with additional information were passed out. Postcard advertisements will be mailed.

President:

Mike said the new field has helped cut down tremendously on injuries. The cushion of the new field helps a lot. He mentioned that we really need assistance and may have a calling campaign to recruit volunteers. The football picnic is fast approaching and will be same as last season with food donations divided according to last name. PowerPoint slides may be used at the mandatory fall sports meeting to help raise involvement in our booster club. Equipment has been purchased with some going to the new Milburn campus. Freshman players will practice at the Milburn campus with games to take place at the Smiley campus. He stated the Blue/Gold game is our biggest fundraiser with 100% of the profits going to the football booster club. We need as many volunteers as possible.
